Additional comments:

- This risk assessment needs to be shared with all group leaders before they run a group to ensure compliance with all actions to minimise risk.
- Groups leaders are to sign an acknowledgement sheet to show their understanding and compliance of this risk assessment.
- The risk assessment is to be reviewed on an annual basis, or sooner if changes are made to church building, external areas, working practices or after an accident/near miss.
- This risk assessment must be approved by the nominated Elder or Deacon for health and safety before being issued as a live document.

* 1 = slight, 5 = high

** Severity x Probability = Risk
